Beantragung eines W-Seminars

Lehrkraft: Juliane Fromm	Leitfach: Englisch
Rahmenthema: Faith in American cultures. From indigenous rites to evangelicals.	
Zielsetzung des Seminars, Begründung des Themas (ggf. Bezug zum Fachprofil): Before the students decide which topic is particularly interesting to them, we'll look at different ancient American cultures and their beliefs, repeat the impact of European Colonialism on religion and the role of the Catholic church in it, as well as the importance of the Puritan faith of the first settlers in the USA up to this day. An important question to raise will be, how religion as part of everyone's culture is currently changing and shaping society as a whole.	
Mögliche Themen für die Seminararbeiten: 1. Indigenous rites, beliefs, religions before Columbus (a large variety) 2. Colonialism and its impact on cultures: Spanish Catholic mission 3. Colonialism and its impact on cultures: English Puritanism 4. Movements in Latin American churches 5. Protestant confessions in North America and rise of the Evangelicals 6. Religion and political power (again a large variety of topics) Usw. ... Ggf. Voraussetzungen / erforderliche Sprachkenntnisse: Unterrichtssprache ist Englisch. Die Präsentationen und die Seminararbeit ist auf Englisch zu fertigen. ...
